Review note

For fictional member Fatma Al Amri (M005), the supplied proposed payment is OMR 950.000 and the supplied approved amount is OMR 650.000. No authorized adjustment is supplied in the demonstration data.

Difference: 950000 - 650000 - 0 = 300000 baisa, equivalent to OMR 300.000. Check the approval record and any authorized adjustments before concluding the investigation.

This is an unexplained difference, not confirmed fraud, a confirmed overpayment, or realized savings. The application must not approve, block, recover or issue a pension payment from this finding.

CHECKPOINT: explain the difference, cite evidence, retain human review.
