Requested follow-up	Obtain service evidence for review
Document type	Request - not proof of service

Pending verification

For fictional member Hamood Al Saadi (M010), six service months are unverified and the service-verified flag is false. These values describe missing verification, not proven invalid or fraudulent service.

Obtain source service records and supporting evidence, then arrange independent review. This request is not a certificate and does not identify the underlying dates or organizations.

Suggested extraction: memberId = M010; unverifiedMonths = 6; serviceVerified = false. Uploading or verifying this request does not change the upstream service flag or clear a previous finding.

CHECKPOINT: six months need verification; a request is not completion evidence.
